

# Akshat Sharma

## Product & Service Designer

I craft meaningful, lasting designs—whether digital UIs or services—blending strategic insights with user empathy to deliver impactful, human-centered results.

## Work Experience

### Product Designer

July 2023 - Present

Neurowyzz

Spearheading product design to create intuitive user interfaces, conduct heuristic analyses, and enhance brand identity. Focused on user-centered design and improving interaction & service experiences.

### Product Design Intern

March 2022 - July 2023

Neurowyzz

Specialized in design, wire-framing, and human-computer interaction. Worked closely with the development team to deliver seamless, user-friendly products.

## Awards

- Special Mention Award (Neurowyzz) | Singapore Good Design Award 2024
- First Prize Winner IKEA Challenge | Student Service Design Challenge 2024
- Best Design Award | UMO Design, Design X Social, Global Innovation Challenge.

## Projects

### Plugg-out

A Service design aimed at reducing vampire power, with a focus on user behavior and sustainable consumption.

### toThere

UX design for a revolutionary real estate platform that simplifies the process of finding and settling into new homes, from search to settlement.

### Khayaal Ring

Designed a comprehensive service system for remote monitoring and support of the elderly, enhancing caregiver-patient interactions through intuitive technology.
